

Rūdolfis Kīploks, 2nd year student
Car body repair locksmith RSTS

The auto repair sector

- There are 4 categories for auto repairs.
- Car mechanic
- Car body repair locksmith
- Vehicle painter
- Land vehicle appraiser

Study centers

- We have 2 beautiful study campuses, one in the city center by the River Daugava, and one in the outskirts of Riga, a new freshly built design and technology center.

Riga State Technical School

- Riga State Technical School offers 39 specialities and it has 9 education departments. With over 3000 students learning every year and 400 loyal employees.

RSTS dorms

- We have old and renovated as well as brand new recently built dorms

Enrollment

- To enroll into RSTS you need to have primary education and rather good grades.
- The enrollment takes place from July till August.
- 4 years of learning and then you get your degree, and you are a certified specialist.
